## Happy Father's Day!

Celebrated on the third Sunday of June, Father's Day is a national holiday honoring fathers. The idea for creating a special day to honor fathers was born out of love and gratitude from a daughter who cherished her beloved father.

Civil War veteran Henry Jackson Smart was widowed when his wife died in childbirth with their sixth child. He then had to raise the newborn and his other five children by himself on a rural farm in Washington State. Years later, his daughter Mrs. Sonora Smart Dodd realized the strength and selflessness her father had shown in raising his children as a single parent. Because of his parental sacrifices, she wanted to show her appreciation to him in a special way. Since her father was born in June, she chose to hold the first Father's Day celebration in Spokane, Washington on June 19th, 1910.

In 1924 President Calvin Coolidge proclaimed the third Sunday in June as Father's Day. In 1972 President Richard Nixon established a permanent national observance of Father's Day to be held on the third Sunday of June.

God, our Father who created us all, holds fatherhood in high regard, giving fathers responsibility as the head of the household and a place of honor in the family (Eph 6:1-4; Col 3:18-21; 1 Thess 2:11-12; Heb 12:9). While our permissive society has allowed the respect due our fathers to increasingly diminish over the years, may those who follow Christ set the greatest example in honoring our fathers, not only on this special day, but every day of the year.

## What Makes a Dad?

*God took the strength of a mountain,  
The majesty of a tree,  
The warmth of a summer sun,  
The calm of a quiet sea,  
The generous soul of nature,  
The comforting arm of night,  
The wisdom of the ages,  
The power of the eagle's flight,  
The joy of a morning in spring,  
The faith of a mustard seed,  
The patience of eternity,  
The depth of a family need,  
Then God combined these qualities,  
When there was nothing more to add,  
He knew His masterpiece was complete,  
And so, He called it . . .*
