Happy Mother's Day!

A Mother's Love

A Mother's love is something that no one can explain,

It is made of deep devotion -- of sacrifice and pain,

It's endless and unselfish -- enduring come what may,

For nothing can destroy it or take that love away.

It is patient and forgiving when others are forsaking,

And it never fails or falters even though her heart is breaking.

It believes beyond believing when the world around condemns,

And it glows with all the beauty of the rarest, brightest gems.

It is far beyond defining, it defies all explanation,

And it still remains a secret, like the mysteries of creation.

A many-splendored miracle that man can't understand,

And another wondrous evidence of God's gracious, tender hand.
